HOW TO MEASURE HEIGHT

1 - CHEST:

Measure around the fullest part of the bust, keeping the tape parallel to the floor.

2 - WAIST:

Measure around the narrowest point, keeping the tape parallel to the floor.

3 - HIP:

Stand with feet together and measure around the fullest point of the hip, keeping the tape parallel to the floor.

CHOOSING THE RIGHT SIZE

In cases where your measurements are between two sizes, go with the smaller size for a tighter fit and the larger size for a looser fit.

PANT FIT:

If your body measurements for hip and waist result in two different suggested sizes, you're better off going with the size from your hip measurements.

TOP FIT:

If your body measurements for hip and chest result in two different suggested sizes, order the size from your chest measurement.

All on-site and off-site communications, advertising, and other communications with consumers shall be consistent with this premium brand image and shall comply with all standards set by and under the control of adidas and communicated to the Account from time to time. At a minimum, an Account shall:

- (a) render prompt, effective and courteous service with respect to the sale of adidas products, including all services to which a retail customer of adidas products is entitled;
- (b) vigorously and aggressively encourage the retail sale of adidas products;
- (c) establish and maintain, independently and in conjunction with adidas, advertising and marketing policies that emphasize the high-quality characteristics of adidas products;
- (d) provide clean, modern and adequate retail outlet(s) necessary for proper merchandising and selling of adidas products;
- (e) attend presentations conducted by adidas sales representatives for the purpose of acquiring knowledge about the technical characteristics of adidas products;

- (g) employ qualified personnel who have been trained to properly service and fit the equipment, apparel, and footwear needs of golfers; and (h) cooperate with adidas with respect to periodic quality control inspections.

2. Prohibition on Misrepresentation(s):

An Account shall not in any manner misrepresent adidas or the nature and quality of adidas products, or act in any manner that tends to damage adidas’s premium brand image, reputation or goodwill. adidas will refuse to deal with any Account whose conduct is deemed detrimental to the adidas premium image, which shall be determined in the sole discretion of adidas. adidas will not deal with any Account that purchases or sells adidas products that have been altered or defaced in any way.

3. Advertising of adidas Products:

In order to protect the integrity of adidas’s trade names, trademarks, logos, artwork, trade dress, and any other intellectual property, advertising of any kind using or depicting adidas’s trade names, trade marks, logos, artwork, trade dress or any other adidas intellectual property is subject to review and approval by adidas. adidas products shall not be used in any advertising that involves predatory pricing, loss leader pricing, or bait and switch tactics. adidas reserves the right to refuse to deal and to refuse to deal further with any Account that violates this provision.

4. Account Selection / Retail Sales / Prohibition on Redistribution:

To enhance informed selection and promote its premium image, adidas only sells to selected retail Accounts for retail sale, on the express condition that such Accounts may not resell to any person or entity who is not also the final user or consumer. An Account shall not in any way support persons or entities who or that traffic in or participate in the redistribution of new adidas products to persons or entities other than the final users or consumers. Without limiting the generality of the foregoing, an Account shall not purchase or otherwise receive new adidas products from a source other than adidas. Accounts may only be approved by adidas’s Vice President, North America Sales or an Officer of the Company, and only with advance written approval. Accounts may only sell from a location or locations approved in advance by adidas, and only under the trade name approved in advance by adidas. Such approval must be in writing. All new locations or trade names are subject to individual approval as a new Account, and adidas products shall not be sold to retail customers from any such additional location or under any different trade name without written approval from adidas. In the event of a change of location, name or ownership of an Account previously approved by adidas, the Account shall be treated as a new Account. Approval or rejection shall be within the sole discretion of adidas.

5. Internet & Catalog Advertising and Sales (and Similar Channels):

adidas has determined that much of the price advertising of golf equipment in catalogs, print media and the Internet is often detrimental to the maintenance of a high quality, premium brand image. Such advertising generally tends to commoditize the golf equipment of various manufacturers, notwithstanding the heterogeneous nature of the products offered. This tends to de-emphasize customer suitability and fit, and to overemphasize low price and volume sales. This also tends to encourage “free riding” on the efforts of full service dealers who provide the level of service required of a premium brand image, where fit and service is paramount. For the above reasons, adidas has recognized that it may be in the economic best interest of adidas and its dealers to unilaterally condition and restrict the advertising and selling of various of its products through certain channels of distribution, including catalog, print media and Internet selling (adidas Golf Internet Sales Policy). Nevertheless, adidas recognizes that Internet selling is evolving, and may have a significant role in providing product information and education to consumers, and thus adding value to the distribution of adidas’s premium brands. Accordingly, adidas’s policies on catalog, print media and Internet sales also continue to evolve and develop. adidas reserves the right to modify these policies from time to time, within its absolute discretion, in order to maximize brand and consumer utility.

6 (a). No Redistribution / Transshipment / Diversion of adidas Products:

Any participation in or facilitation of the resale, transshipment of any form or redistribution or diversion of adidas products to anyone other than the final user or consumer, or in any way contrary to Sections 4 and 5 herein, is expressly prohibited. adidas reserves the right to refuse to deal and to refuse to deal further with any Account that directly or indirectly redistributes, transships or diverts product for resale by unauthorized persons, whether in the United States or abroad.

6 (b). Transshipping Violation:

Without limitation to any other remedies available to adidas, for any Account that violates Section 6(a), adidas may, in its sole discretion, choose not to ship scheduled or future shipments of those categories of adidas product(s) that were resold, transshipped or diverted to anyone other than the final user or consumer for three months from the date of the letter from adidas notifying such Account of the infringement.

6 (c). Liquidated Damages:

Without limitation to Section 6(b), it would be impracticable or extremely difficult to fix the actual amount of damages that adidas would incur as a result of a violation by Account of the provisions of Section 6 (a) above. Therefore, for each and any violation of said Section 6(a), Account shall pay and adidas shall recover from Account (1) the costs incurred by adidas in repurchasing the offending product or products from the unauthorized person, and (2) reasonable attorney’s fees and costs in the amount of \$1,000 per transaction (the “Liquidated Damage Amount”). The Liquidated Damage Amount constitutes a reasonable estimate of the damages adidas will suffer for each and any violation, pursuant to the California Civil Code Section 1671, and is not intended to be, and is not a penalty.
